

Australian sourced retirement savings withdrawal application

Important information

Under the New Zealand and Australian legislation and regulations governing the Trans-Tasman portability of retirement savings, the following rules apply to Australian sourced retirement savings held in your BNZ KiwiSaver Scheme (BNZ KiwiSaver) investment.

- You are able to withdraw your Australian sourced retirement savings after you have reached the age of 60 if you are retired when you make a withdrawal request.
- Government contributions will not be payable on Australian sourced retirement savings contributions to your KiwiSaver investment.
- Your Australian sourced retirement savings cannot be withdrawn for the purchase of your first home or used to count towards eligibility for a first home buyers deposit subsidy.
- Your Australian sourced retirement savings cannot be transferred to a third country.
- Any earnings on your Australian sourced retirement savings will be subject to normal KiwiSaver rules.
- If you have other KiwiSaver investments, you will need to also complete the BNZ KiwiSaver Scheme Retirement Withdrawal Application.

For the purposes of assessing your eligibility to withdraw your Australian sourced retirement savings from your BNZ KiwiSaver investment, retirement is defined in Australian regulations as you not intending to ever become gainfully employed again. This means you do not intend to ever again work in paid employment for 10 or more hours per week.
